Goto Idea Submission Menu there You can see the Guidelines and Click on Start

The screenshot shows a web browser at the URL <https://www.edii-innovation.tn.gov.in/instructions>. The browser's address bar and tabs are visible at the top. The website header includes the UPSHIFT logo (powered by UNISOLVE) on the left and a navigation menu on the right with the text "Menu : Idea Submission" and "Institution : AU University college of Engineering , Ariyalur". A user greeting "Welcome Student Hi" is also present. A left-hand sidebar contains a menu with options: Dashboard, Idea Submission (highlighted), Change Password, My Profile, and Logout. The main content area is titled "Idea Submission Guidelines" in blue. It begins with a general instruction: "As you are getting ready to submit your idea, remember these important things to make sure you do it well:". This is followed by three numbered steps: Step-1 (reviewing the submission process video and discussing with team/mentor), Step-2 (writing the idea on paper before submission), and Step-3 (filling the form carefully and double-checking details). A note states that changes cannot be made after submission. A section titled "Details to keep ready before you proceed to submit your idea:" lists five requirements: reviewing themes/problems, selecting a theme, writing a detailed innovation title, listing tools/technologies, and preparing a research document with images/video. The page concludes with the encouragement "Go ahead and submit your idea! Wish you All the best" and a yellow thumbs-up icon. A prominent orange "Start" button is located in the bottom right corner of the page.

Idea Submission Guidelines

As you are getting ready to submit your idea, remember these important things to make sure you do it well:

Step-1: Go through Idea submission Process video in Resources section. Discuss with all your team members and the Mentor to select the final idea for submission.

Step-2: Write down your idea on a paper or notebook before you start submitting it on the website.

Step-3: Fill the form carefully and ensure you double-check everything before you save or submit your idea. Do not forget to ask your Mentor to go through the details entered by you to make sure they are correct.

Note: You cannot make changes once the idea is submitted. Invalid/Wrong entries will not be selected.

Details to keep ready before you proceed to submit your idea:

- Go Through Themes and Problem Statements document.
- Select your Theme and Problem Statement.
- Write Down Innovation Title and working in detail. Idea name should convey the uniqueness of your solution.
- List out the tools / technologies you used to develop your project and how.
- Get Ready with Project Research Document, Images & Video (Youtube link) of your Project's Prototype/Design if you have done the Make & Test process to upload during Idea submission.

Go ahead and submit your idea! Wish you All the best 🍌

Start

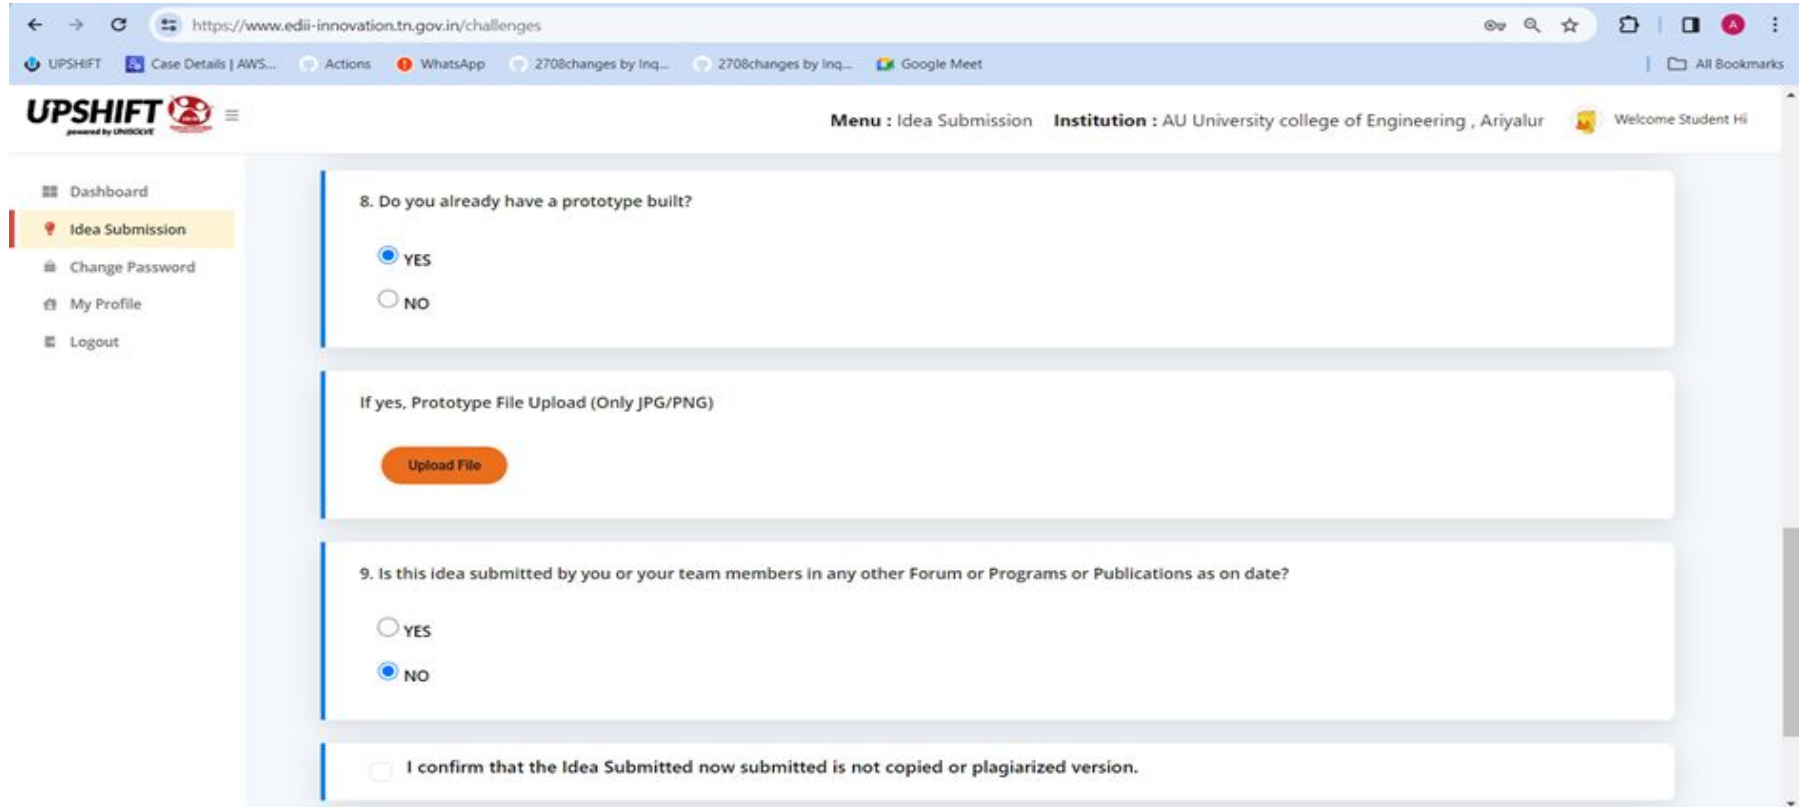

After Clicking on Start you can see the Idea Initiated Successfully message at the top with Idea form to submit the Idea.

The screenshot shows a web browser at the URL <https://www.edii-innovation.tn.gov.in/challenges>. The page header includes the UPSHIFT logo (powered by UNIDO) and a navigation menu with 'Idea Submission' and 'Institution : AU University college of f'. A green notification bubble in the top right corner states 'Idea Initiated Successfully' with a close button. The left sidebar contains links to 'Dashboard', 'Idea Submission' (highlighted), 'Change Password', 'My Profile', and 'Logout'. The main content area is titled 'Idea Submission' and contains three numbered steps:

- 1. Which theme are you targeting with your solution ?**
A dropdown menu is shown with the selected option 'Agritech & Food Technology'.
- 2. Which problem statement are you targeting with your solution ?**
A dropdown menu is shown with a downward arrow.
- 3. Description of the Problem Statement ?**
A text input area with the placeholder 'Enter the Problem statement'.

An orange 'Submit' button is located in the top right corner of the form area. At the bottom right of the third step, it indicates 'Characters Remaining :1000'.

If we choose Prototype as Yes . We can Upload file using Upload file Button.

The screenshot shows a web browser window with the URL <https://www.edii-innovation.tn.gov.in/challenges>. The browser's address bar and tabs are visible at the top. Below the browser, the UPSHIFT logo is on the left, and the navigation menu is on the right, showing 'Menu : Idea Submission' and 'Institution : AU University college of Engineering , Ariyalur'. A welcome message 'Welcome Student Hi' is also present. The main content area is a form for idea submission. It starts with a sidebar menu on the left containing 'Dashboard', 'Idea Submission' (highlighted), 'Change Password', 'My Profile', and 'Logout'. The form itself has a question '8. Do you already have a prototype built?' with radio buttons for 'YES' (selected) and 'NO'. Below this is a section for 'If yes, Prototype File Upload (Only JPG/PNG)' with an 'Upload File' button. The next question is '9. Is this idea submitted by you or your team members in any other Forum or Programs or Publications as on date?' with radio buttons for 'YES' and 'NO' (selected). At the bottom, there is a checkbox for 'I confirm that the Idea Submitted now submitted is not copied or plagiarized version.'.
